WE'VE COME TO TOWN • WE WANT YOUR OFFERS

TheLocalProject

TheLocalProject is building local area networks (LANs) in communities across America where local residents can find the best local business info, offers & specials.

We want to meet with you to discuss:

For a limited time, your company is being offered a **FREE Membership** which includes a Profile about your business and promotion for up to 5 Offers. We will promote your company's offers at **NO CHARGE!**

Our TrueCONNECT technology allows your business to connect direct to consumer's mobile devices to both Send Broadcast Marketing Messages and Receive Inbound SMS Messages

Featured Positioning is assigned to local businesses on a 'first come – first serve basis'. **Top positions are 'permanently secured for life'** making the sooner you register, the better positioning your company will lock-in!

You can learn more about TheLocalProject by:

- Visiting our website at www.thelocalproject.net,
- Watching our business presentation video at www.thelocalproject.net/bizpres,
- Meeting with your Area's Partner to see a live demonstration of our technology and get all your questions answered.

Let's meet, please call to schedule a brief 20-minute meeting where I will explain our program and get your company registered exactly as you'd like it to be.
